

## Gardening Coach Profile

Lisa Gregg has been a professional gardener since 1998 when she entered the 2-year Landscape Design degree program at Edmonds Community College. Lisa received her Certificate of Ornamental Horticulture and finished the Landscape Design Program in the year 2000. Since that time she has been gardening, consulting and designing residential gardens in Seattle, Bainbridge Island and Kitsap County. She lives in Indianola with her husband Tim, son Nolan and old grey cat Linus.
