Variety	Ripening Season	Berry Size	Flavor	Fall Color	Height	Description
<b>Patriot</b>	Early	Large	Firm, good sweet flavor; slightly tangy	Red to Orange	4' - 6'	Consistent, heavy producing, vigorous; with fiery orange to red fall color. Best variety in wetter soils.
<b>Peach Sorbet</b>	Mid	Medium	Sweet with tropical flavor	Purple	2'	Colorful, compact; good for containers. Peach-pink new growth; purple fall color. Semi-evergreen.
<b>Pink Lemonade</b>	Mid / Late	Medium	Sweet, clean flavor with good texture	Orange to Red	4' - 6'	They're pink! Berries mature to deep pink. Moderate yields; vigorous grower.
<b>Razz</b>	Mid	Medium to Large	Soft sweet with raspberry undertones	Red to Orange	5' - 6'	Plump berries ripen very quickly; pick as ripe for most intense flavor. Good for fresh eating.
<b>Reka</b>	Early	Medium	Firm, rich & tangy	Wine Red	4' - 6'	Adapts to many soil types and climates. High yielding and lovely autumn color!
<b>Spartan</b>	Early	Very Large	Tops in flavor, robust firm fruit	Yellow	4' - 6'	Heavy producer, great variety. Easy to pick. Resistant to mummy berry.
<b>Sunshine Blue</b>	Mid to Late	Medium	Rich, sweet flavor	Purple	2' - 3'	Self-fertile. Abundant crops. Great choice for containers. Nice ornamental color. Semi-evergreen.
<b>Toro</b>	Early / Mid	Large	Mildly sweet, firm, very good flavor	Red	4' - 6'	Extremely productive variety. Nice ornamental value as well. Easy to pick, tight clusters.
